Washington, DC 20204

Dear Sir or Madam:

This is to provide the required information to comply with our obligation under DSHEA labeling regulations.

Supplement: Vitamin E 200IU + Mixed Tocopherols

Manufacturer, packer: Natural Factors Nutritional Products, Ltd.
1550 United Blvd.
Coquitlam, B.C.
Canada V3K 6Y7

Distributor: Natural Factors Nutritional Products, Inc.
1111 80th St. SW, Suite 100
Everett, WA 98203

Text of side Panel: Each easy-to-swallow softgel contains 200iu (International Units) of pure vitamin E in the form of d-alpha tocopherol, derived and isolated from 100% natural sources with additional beta, delta, gamma tocopherols in a balanced ratio. Vitamin E is a fat-soluble vitamin and antioxidant that protects cell membranes and prevents free radical damage, supporting the cardiovascular system and general health.* Vitamin E's ability to protect cell membranes is important for people in polluted environments and those with active lifestyles. Experts recommend daily supplementation of vitamin E as it is difficult to get enough through diet alone.
